DAILY ITINERARY*

Day	Destination
July 10	Welcome to Arusha, gateway to your dream safari. Afternoon and evening at leisure.
July 11	Drive to Tarangire National Park, highlighted by a large population of elephants. After lunch embark on your first exciting game drive.
July 12	Rise early for a morning game drive including a bush breakfast. Watch for giraffe, zebra, Cape buffalo, and more. Free time at your lodge before an afternoon game drive.
July 13	Drive to Lake Manyara National Park, home to the world's largest concentration of baboon. Watch for these primates, giraffe, hippo, and more on your afternoon game drive. Sundowner drinks with views over Lake Manyara.
July 14	Drive to Karatu, where coffee farms dot the slopes of Ngorongoron Crater. Visit a local primary school followed by lunch at beautiful Gibb's Farm. Continue to your lodge for a free afternoon or take an optional tour to a local village to learn about life in rural Tanzania.
July 15	Descend into the crater for a full-day game drive, where most of the animals stay year round. View lion, hyena, hippo, elephant, and a chance to see the rare black rhinoceros. Enjoy an exclusive Globus Local Favorite bush lunch served in the crater.
July 16	Drive to Serengeti National Park, Tanzania's largest and most famous park. Enjoy lunch at your tented camp followed by an afternoon game drive with the chance to see the big cats—lion, leopard, and cheetah—as well as the Nile crocodile, giraffe, gazelle, and eland. With some luck you may even spot something much rarer, like a caracal, a beautiful cat with distinctive ears.
July 17	Explore during morning and afternoon game drives. Home to the annual Great Migration of wildebeest and zebra, the Serengeti is great for game viewing year round. Tonight, join a Globus Local Favorite farewell dinner in the bush featuring a traditional Maasai dance performance.
July 18	Embark on a final game drive before flying back to Arusha. A day room is reserved for your convenience.
