## DAILY ITINERARY

Day	Destination
Aug 7	Welcome to Arusha, gateway to your dream safari.
Aug. 8	Drive to Tarangire National Park, home to the largest concentration of Elephants in Tanzania.
Aug. 9	Enjoy your day at Tarangire National Park. Watch for Giraffe, Zebra, Impala, Cape Buffalo, Elephants and so much more.
Aug. 10	Drive to Lake Manyara National Park. Enjoy the breathtaking, varied topography. Watch for Blue Monkeys and large troops of Baboons, 100's of bird species as well as plains game and possibly lions or leopards although they're tough to spot here!
Aug. 11	Drive to Karatu along the winding road that climbs the Great Rift Valley Escarpment, enjoy the stunning views along the drive. Lunch at Gibbs Farm. Overnight at Ngorongoro Farm House with its stunning gardens and welcoming staff.
Aug. 12	Pack a picnic lunch and set off early to the Ngorongoro Crater, the 8th Wonder of the World. The largest unbroken caldera in the world, the crater is home to almost 30,000 resident animals.
Aug. 13	After breakfast it's time to pack up and head out to the legendary Serengeti Plains. The Central Serengeti is teeming with wildlife. Lions, Leopards and Cheetah all enjoy the unique rock kopjes throughout this area... just not at the same time! The terrain is as varied as the wildlife is in this area.
Aug. 14	Explore more of the vast plains of the Serengeti, perhaps you'll will see Hippo lounging in the water, or enjoy watching Gazelles sparring as the young males establish dominance. You'll almost certainly get a chance to watch Giraffe browsing on their favorite acacia's! And then there are lions, cheetahs, leopards... they are easier to spot here!
Aug. 15	After breakfast check out and head to Seronera Airstrip for you flight back to Arusha. Lunch. Day Room Transfer to Airport for International flight.

A voice from one of our previous Tanzanian Adventures...

"I would like to express my profound appreciation for the unparalleled educational journey my wife and I experienced in Tanzania under your guidance. The excellence of the presentations, the expertise of the guest speakers, and the impactful knowledge we gained throughout the trip were of the highest caliber. It is without a doubt the most extraordinary journey I have ever embarked on."
